

EDOARDO MERCİ

Graphic Designer

SUMMARY

I'm a young Graphic Designer with a keen eye for details and passion for transforming ideas into reality. With high proficiency in Adobe suite, photo and video editing, I'm looking for the best place to put my skills to use while learning from experience.

Recently I've been on a journey to discover more about the world and how my skills could be applied in different environment and locations.

PROFESSIONAL SKILLS

- Excellent knowledge of Adobe suite (Adobe Illustrator, Photoshop, Premiere, After Effect, Xd, Lightroom, InDesign)
- Photography and post production editing
- Video editing
- Fluent in English, Italian and Spanish conversation level
- People management and events planning
